

PAROW

the local solution to community access problems in West Cornwall

With an in depth knowledge and experience of the local area, PAROW Path Officers are experts in the clearance and maintenance of access routes, community spaces and ancient sites. With a wide range of equipment and full insurance, PAROW can assist your community with tasks such as;

Path clearance & strimming, LMP work, Maintenance and repairs of stiles and boardwalks, mowing, hedging, Signpost repairs.

PAROW is a Community Interest Company working with the PAROW Forum to solve local access problems and improve access to the countryside for all. Working with Parish Councils, Cornwall Wildlife Trust, Cornwall Council, Cornwall Ancient Site Protection Network and Community Groups for the benefit of West Cornwall.
